Re: Approval of Replacement Reclamation Surety and Permit Transfer, Plateau Resources Ltd. (Plateau),
Tony M/Lucky Strike Mine M/017/001, Garfield County, Utah

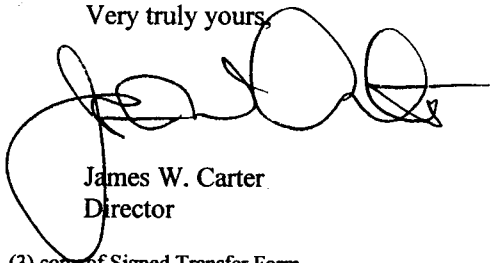

Dear Ms. Wittrig:

On December 11, 1996, the Board of Oil, Gas and Mining approved of the form and amount of replacement surety posted by Plateau for the Tony M/Lucky Strike Mine. The formal Board Order acknowledging this acceptance was issued on December 13, 1996. Board approval of the reclamation surety allows the Division to formally accept the transfer of the mining and reclamation plan (permit) from Nuclear Fuels Services to Plateau. By this letter the Division formally releases Nuclear Fuels Services from further reclamation responsibilities at the Tony M/Lucky Strike Mine as described in the current mining and reclamation plan. Plateau is now the operator of record for this mine.

Enclosed is the original copy of the reclamation surety posted by Nuclear Fuels Services for this site. The Division hereby releases Letter of Credit for \$148,000 with Nations Bank, N.A., to Nuclear Fuels Services. In addition we have enclosed the following items for your records: (1) the original copy of the old Reclamation Contract, dated 1/25/90, and (2) a copy of the completed and signed Transfer Form.

Thank you for your cooperation and assistance in completing this permitting action. If you have any questions in this regard please contact Wayne Hedberg, or Tony Gallegos here at the Division.

Very truly yours,

James W. Carter
Director
